

EDUCATION

GITAM University, Bengaluru, India

B.Tech in Computer Science & Engineering (AIML) | 2021 – 2025

Sri Chaitanya Junior College, Hyderabad, Telangana

Intermediate | 2019 – 2021

SPR School of Excellence, Yellapur, Telangana

High School | 2018 – 2019

PROFESSIONAL SUMMARY

Highly motivated undergraduate in Computer Science and Engineering (AIML) from GITAM University, eager to leverage foundational knowledge in machine learning, deep learning, and data analysis to drive impactful projects. Demonstrated ability to apply technical skills in real-world settings through internships and academic projects. Strong in strategic planning, communication, and collaborative problem-solving-seeking to contribute to a dynamic organization and further develop professional competencies.

WORK EXPERIENCE

V Cube Solutions, Hyderabad, India

Intern | May 2024

- Gained hands-on experience by applying learned concepts directly to relevant work situations.
 - Analyzed complex problems and collaborated with cross-functional teams to develop innovative solutions.
 - Contributed to a positive team environment through active participation in group projects and presentations.
 - Demonstrated adaptability and a proactive approach in a fast-paced industry setting.
-

PROJECTS

Automatic Pet Feeder

Designed and developed a prototype that automates pet feeding, showcasing applied engineering and problem-solving skills.

Yoga Pose Assistant

Created an AI-powered assistant to substitute for physical instructors, highlighting expertise in machine learning and user-centric design.

No-Code Chatbot Interaction

Built a chatbot using AI tools without programming, demonstrating proficiency in no-code development and user experience design.

Streamlined Property Maintenance Platform

Cross-platform mobile solution for real-time property maintenance management and stakeholder communication.

SKILLS

·**Technical:** Programming with C, Python, Machine Learning, No-code Web Development, UI/UX Design
Firebase, Git & GitHub, Command Line Interface (CLI), Vercel, Vercel v0, Cursor AI

·**Professional:** Strategic Planning, Communication, Project Management, Attention to Detail

CERTIFICATIONS

·Introduction to Machine Learning

·Introduction to Deep Learning & Neural Networks with Keras

·Building AI-Powered Chatbots Without Programming

·Introduction to Hardware and Operating Systems

·Project Initiation: Starting a Successful Project

LANGUAGES

·English (Fluent)

·Telugu (Native)

·Hindi (Fluent)

·Kannada(Conversational)
